WELCOME MESSAGE

We are thrilled to welcome you all to the highly anticipated event of the 10th World Congress Asian Psychiatric (WCAP) - Asian Federation of Psychiatric Association (AFPA) 2024!

The event this year take place in the captivating island of Bali, Indonesia, a place renowned for its natural beauty, vibrant culture, and serene atmosphere. This location not only offers a visual feast for the sense but also encourages introspection and inspiration. As we immerse ourselves in this perfect environment, lets fuel our creativity and passion for advancing psychiatric care.

Our theme for this year's congress is *"Navigating Mental Health Physical Comorbidity with Family and Community Support."* This theme highlights the crucial role of family and community in addressing the significance of support systems that surround individual facing these challenges, emphasizing the need for comprehensive support beyond medical intervention.

This congress connected all professionals from diverse background and cultures so that we can broaden our perspectives and gain valuable insight that will shape the future of psychiatry. Seize the opportunity to learn by engage in stimulating discussion and participate in interactive workshop!

Join us on December 5 – 7, 2024, and be part of this remarkable experience.

See you there – in Bali !

Gundugurti Prasad Rao

President of AFPA

Andi J Tantra

Chairman of Organizing
